Vilma Home and Healthy

After a month-long hospitalization for cholangitis, pleural effusion and advanced sepsis, Vilma, our Director in Guatemala, is home and back to work. She became a recipient of the specialized medical care she is accustomed to providing for others. Thank you for your prayers and encouragement during this difficult time.

Specialized Medical Care Saves Lives

Gumercinda fell out of a tree and had a chunk of wood lodged in her jaw. It had become infected and was causing pain and fever. Her family could not afford the surgery needed to remove the object. Thanks to your support for specialized medical care, she had surgery and is completely recovered.

Sponsor Home Visit

Kimberly Yarlyny Gutierrez Hernandez, our sponsored child, is 7 year old. Her mother told us she never dreamed that she would have either a cooking stove inside her house or a latrine for her family, and that it was a true blessing from God through Outreach For World Hope.

Over 300 Families Waiting for Sponsorship

Hundreds of children are currently in our Life Boat program and in need of sponsors. Sponsorship costs \$32 per month (about a dollar a day). Sponsorship makes a life-changing difference for the entire family.

A Pathway Forward

Two more of our nursing students have graduated and landed jobs. Mayra and Rosalino wish to thank you for the scholarships that offered them a pathway out of poverty and changed the course of their lives.

Whoever is kind to the poor lends to the Lord, and he will reward them for what they have done.
